Policy 5901, Regulations for Alternative Certification Programs for the Education of Teachers Executive Summary

West Virginia Department of Education

Division of Support and Accountability/Office of Professional Preparation, Recruitment, and Retention

Policy Cycle: ☒ 30 day Comment Period ☐ Adoption of Policy

Policy Process: ☒ Revision ☐ Repeal and Replace ☐ New

Introduction: Revisions are proposed to West Virginia Board of Education (WVBE) Policy 5901 for the purpose of clarifying existing language and procedures for the conduct of state-approved alternative certification programs and the licensure of program participants.

Background: Policy 5901 was revised in 2015 to create an updated process for meeting school districts needs for teachers in West Virginia classrooms. The policy was later revised in 2017 and 2018 to refine language, requirements, and processes. We propose that Policy 5901 be revised to make clear details of ACEPPRB membership, eligibility requirements for alternative teacher education programs which lead to West Virginia professional licensure, teacher performance assessments, and changes in formatting.

Changes:

- **126-161-6. Candidate Eligibility.** - A language correction about eligibility criteria for general education endorsements ensures understanding of content exam requirements and exemptions.
- **126-161-7. Professional Support Team.** - A clarification that upon successful completion of a state-approved alternative certification program which includes passing scores on a nationally-normed instrument of teacher performance, applicants may be exempt from the required Professional Education Test as described in Policy 5202, Minimum Requirements for the Licensure of Professional/Paraprofessional Personnel and Advanced Salary Classification, and the West Virginia Licensure Testing Directory on the WVDE website.
- **126-161-9. Alternative Certification Educator Preparation Program Review Board (ACEPPRB).** – A new position on the ACEPPRB is being created to increase the total number of individuals serving on the ACEPPRB to nine. This new position will be a county office representative appointed by the WVBE, meaning that a total of two county office representatives are included on the ACEPPRB. Language clarifies that ACEPPRB members serve three-year terms, rather than one-year terms. ACEPPRB members may renew their appointment one time, to serve a second three-year term, for a total no more than six years on the ACEPPRB.

Impact: The proposed revisions to Policy 5901 provide clear strategic guidance for West Virginia Alternative Educator Preparation Providers, who prepare candidates to be eligible for licensure to work in the public schools of West Virginia and assure appropriate steps for preparation and certification of educator candidates. As West Virginia continues to improve the rigor and accountability of all its educator provider programs, the revised policy focuses on best practices, candidate proficiency, and performance.
